CHWC

JAM Sessions

Nope, we don't sit around and all play guitars, though there may be music involved! JAM sessions (Jesus And Me) are opportunities to draw nearer to Jesus and grow in your love of Him through small group discussion.

Steppin' Up

The purpose of the group is to capture the experience we've had with the late night discussions at CHWC. This group is for those who seriously want to share their faith and learn how to meet Jesus in an environment where others want to do the same. We will have moderated discussions and verify the truths of our faith through sharing our personal experience.

Upper Room

For students in grades 9-12. The Upper Room is high school faith instruction that meets on two Wednesdays per month. Instructors, Aaron Walz & Stefanie Rice plan classes in conjunction with Youth Group.
